

JEWELLERS COLLECTIVE

Wow What a Year!

We have had a fabulous time hosting you over 2023 in our workshops.

We are immensely proud of you all. You have made wonderful pieces of jewellery from your own designs in the jewellery making courses, & creating your hammered texture designs in the silver or gold ring classes.

This year we held two market days that have been increasingly well received. We will keep offering these as they are a perfect opportunity to make & sell the work made here in New Lynn. Buying 100% NZ made gives a great boost to our Makers creative confidence. Supporting local is beneficial for everyone involved. Closer to the time, we will let you know the date for our next market day, so that you can save the date..

We have also been privileged to be a part of incredibly special moments in the workshop, with marriage proposals being accepted in ring making classes. This is a real treat for us & one that makes our day completely wonderful. We thank all our couples who have made their wedding rings with us. We wish you a lifetime of happiness.

Thank you to those who organised a group session, we had a blast with Groups and Corporate classes as well as the "Best Christmas Ever" bookings, they're very enjoyable to host. There's nothing nicer than doing something different with people you know, & best of all they all walked out with a ring that they made themselves.

We would also like to say a big thank you to our Suppliers. They are more than companies to us; they are people that we have kept long held relationships with over the years. It is in knowing the people we deal with that we feel confident of their processes & materials. For us jewellery making & the resources we use must meet our ethos across all our activities; enabling us to remain sustainable over the long term.

Finally we would like to send all our love to the Crawford Family in the sudden loss of Keith. Keith was a prodigious artist, a true gentleman with his easy smile, his approach to work & his lovely accent.

Keith you are sorely missed, our thoughts are with you everyday.

Happy Holidays!

We hope you've had a fabulous Christmas filled with fun, family and friends. There is so much to be grateful for. Whatever the new year has in store, we'll be in it together!

Thank you for all your support.

We wish you & yours a happy, healthy, & prosperous new year! Cheers.

Chris, Lee, Ruth, & Grace Minturn
